General

1. The game of golf shall be played in accordance with the Rules of Golf as approved by the Royal and Ancient Golf Club, St Andrews, subject to the local rules as laid down by the Club Council.
2. Players should make themselves conversant with the ETIQUETTE required in golf.
3. Avoid slow play and always keep up with group in front.
4. The course will be closed prior to play commencing for all competitions unless approved by the Greens or Fixtures Director.
5. Please Repair all Pitch Marks, Replace Your Divots and leave all Bunkers in a Tidy and Playable Condition.
6. Distance measuring devices which do not have direct access to the internet may be used in all competitions.
7. Members should please note that details of Junior Competitions, additional team matches, visiting parties and outings will be posted on the fixtures noticeboards and on the board at the professional's shop as well as within the online booking system.

Please Note:

1. The tee will be closed before the start time of all Competitions and all League Matches unless noted otherwise. Members should remember that when the tee is closed, players are not permitted to walk out to a further point of the course to commence play. The tee will reopen once players in the competitions/matches have left the second green.
2. Indicative times only are given for the end of ladies' competitions. Members should therefore check with the professional to ascertain tee time availability on ladies' competition days.
3. Should adverse weather conditions prevail during competitions, to the extent that it becomes impossible to complete a hole, or unsafe to continue play, a long single blast of a Klaxon Horn will be sounded to suspend play. In the event of a suspension, any ball in play must be marked where it lies in agreement with playing partners.
The suspension will last for up to ONE HOUR. At the end of this period the competition will either recommence (One Klaxon blast), with players resuming their position, or it will be cancelled (Two Klaxon blasts). On resumption of play, if a marker cannot be located, agreement on place of play must be sought from a playing partner or official.
During play or the suspension of play the course will be inspected, and members may use the backs of bunker rakes to clear any pools of water on greens.
If the competition is cancelled, the course will be closed and all players MUST leave the course.
4. Work by Green Keeping Staff will not be suspended at any time during midweek play, including competitions. However, tee positions and pin placements will remain fixed for the duration of any competitions.
5. When a medal is on, this competition is open all day. Players can play in a medal after the last time on the medal sheet by signing in to the competition by using the PSI monitor.
